

IX. PUBLIC INVOLVEMENT

A newsletter has been sent to all those living along SR 1493(Frye Bridge Rd.). No comments have been received to date.

Based on the lack of responses to the newsletter, a Citizen's Informational Workshop was determined unnecessary.

There is not substantial controversy on social, economic, or environmental grounds concerning the project.

X. CONCLUSION

On the basis of the above discussion, it is concluded that no substantial adverse environmental impacts will result from implementation of the project. The project is therefore considered to be a federal "Categorical Exclusion" due to its limited scope and lack of substantial environmental consequences.
